The Parsons College Story

—o—

Parsons College is nearing the century mark in providing a liberal arts education to thousands of men and women. Built among the rolling hills of southeast Iowa in Fairfield, many changes have taken place in the past 92 years as the college continually seeks to keep abreast of the rapidly changing field of higher education.

Parsons' heritage began in 1870 when the estate of Lewis B. Parsons, a successful Utica, New York merchant, set aside 3,560 acres of good Iowa land for the founding of an educational institution in the state.

Much of what has happened at Parsons is in the past, but these things only serve to enrich the progressive thought which flourishes on the campus today.

Until 1955, Parsons was a little-known liberal arts college struggling for its existence with a student enrollment averaging about 300 per year. Today, with a much larger student body, Parsons has proved that it is possible to offer students a progressive approach to modern education, not only in physical aspects, but in an excellent academic program as well. An outstanding faculty teams up with a modern physical plant valued at more than $18 million. The year-round trimester system and the use of the team teaching techniques assure each student of the best and most education possible.

In the center of the campus, the million dollar James M. Camp Student Center is the focal point for the institution's social and recreational activity. The Madeline Wright Memorial Library, with over 114,000 volumes, and the William Wright Hall of Science, with the latest in scientific equipment, overlook the student residence area and the Blum Stadium facility completed in the fall of 1966.

The institution is a college of Arts and Sciences, comprised of the departments of Biology, Business Administration, Chemistry, Economics, Education, English and Comparative Literature, Fine Arts, History, Mathematics, Modern Languages, Philosophy, Physics, Political Science, Psychology, Rhetoric and Sociology.

Marcelino "Chelo" Huerta, Jr.

HEAD COACH AND ATHLETIC DIRECTOR

MARCELINO "Chelo" HUERTA, Jr., Athletic Director and Head Football Coach at Parsons College. 41 years old, native of Tampa, Florida, preped at Hillsborough High School under the great Coach J. Crockett Farnell. While at Hillsborough, he was Captain of the Terriers and received every honor that was awarded at that time.

Coach Huerta ranks high among the nations winningest coaches with his 15-year record of 98 wins, 50 losses and 2 ties.

Huerta is a former University of Florida guard, Class of '49. He went to the University of Tampa as an assistant coach in 1950. In 1952 he was promoted to Athletic Director and Head Football Coach. That same year he was the youngest Athletic Director and Head Football Coach (College) in the U. S. There has been no perfect season come Huerta's way, but he led the "Spartans" to their best season and the schools only two bowls, in which they emerged victorious. They also were honored by being invited to play in the 1958 and 1961 Tangerine Bowl. Under Huerta's administration the University retired all bonds on the stadium, built a Fieldhouse and a beautiful boathouse which is paid for.

In his second year as Head Coach at Wichita U., his Schocker team finished as 'Co-Champions" of the Missouri Valley Conference with a 7-2 record. Practically rewriting the Shockers offensive record book — his team finished second in the nation in total offense, 388.4 yards per game that year.

This past football season, his second at Parsons, Huerta directed his Wildcats to an 9-1 final season record. Gaining National recognition as the 5th best college in the nation and being invited to the Pecan Bowl. Huerta's two-year record at Parsons is 17-2.

Many honors have been showered on Coach Huerta. The latest one was to coach the Iowa College All-Stars his first year in Iowa. One of his most coveted honors was being selected as the Outstanding Young Man in the City of Tampa for his distinguished work in the Community (1954). His plan for helping crippled children was adopted and endorsed by the American Football Coaches' Association and National Society for Crippled Children and Adults, Inc. Coach Huerta also received the Pop Warner Award for doing the most for the youth of the state of Florida in 1959 and was awarded "Coach of the Year" in the Missouri Valley Conference for leading the Shockers to their highest National ranking in its history.

During World War II, Huerta was in the Air Force where he fought as a bomber pilot in the European Theatre.

The Wildcat Chief is married. His lovely wife's name is Gloria and they have two children, Susan, 15 years old and Bubba (III) is 14. They are members of the First Presbyterian Church.

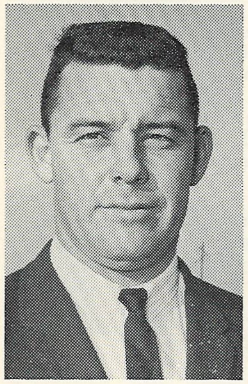

One of Huerta's greatest attributes is his personality which has made him very popular with sports writers, radio and television personalities and alumni. His speaking ability makes him most sought-after as a speaker.

K. Wayne Williamson

Offensive Backfield Coach

Williamson is starting his first year at Parsons as offensive backfield coach.

Williamson is a native of Laverne, Alabama but has made his home in Tampa, Florida where he graduated from Jefferson High School in 1956.

From Jefferson, Wayne went to the University of Florida, where he lettered three years as a quarterback and then remained to earn his Master's degree and serve as offensive backfield coach for the freshman team.

Following this, Williamson served as offensive backfield coach at Jefferson High School and then entered the Army in January, 1962 as an officer. He coached both years in the service: head coach at Fort Bragg, North Carolina and offensive backfield coach at Fort Benning, Ga. In February, 1964 Williamson became athletic director and head coach at Brandon High School, Brandon, Florida. In three seasons at Brandon his teams won 22, lost 7, and tied 1.

Williamson and his wife, Pati, have three children, Ken 6, Karen 4, and Jim 2 months.

Charles Wright

Defensive Line Coach

Charles Wright, 25-year old former star gridder and graduate of Wichita State University, was Freshman coach at Wichita under Huerta prior to joining Chelo at Parsons last year as defensive line coach.

Wright lettered three straight years for the Wichita Shockers, earning All-Missouri Valley honors in 1961 and 1962 as a guard. He was Captain of the Shockers during the 1962 campaign.

Wright's home is in Enid, Oklahoma, where he was an outstanding high school player.

★ ★ ★

Frank D'Agostino

Offensive Line Coach

One of two Pennsylvania products on the Parsons College coaching staff, D'Agostino is in his second coaching year at Parsons. D'Agostino is a native of Philadelphia, Pa., where he graduated from Northeast Catholic High School in 1952.

From Northeast, Frank went to Auburn University, where he won three football letters as a tackle.

Following All-American recognition at Auburn, D'Agostino joined the Philadelphia Eagles of the National League where he played offensive guard during the 1956-57 season. He moved on to the Hamilton, Ontario Club of the Canadian Pro League in 1958 after which he joined the collegiate coaching ranks as line coach at Jacksonville, Fla., State College.

D'Agostino entered private business in 1960-61 and then returned to coaching in 1963 at his Alma Mater, Auburn, where he served as Freshman line coach.

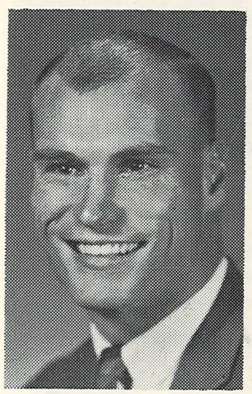

He and his wife, Sue, have one child, a twelve year old daughter named Susan Rene.

Paul D. Read

Defensive Backfield Coach

Read is starting his first year at Parsons College as defensive backfield coach.

A native of Iowa, Read graduated from Parsons College in February of 1967 after completing his high school career at Winterset.

While at Parsons, Read was awarded three varsity letters in football as a defensive back. He played his last two years under Head Mentor "Chelo" Huerta and former defensive backfield Coach Marv Braden. Both years he captained the football teams.

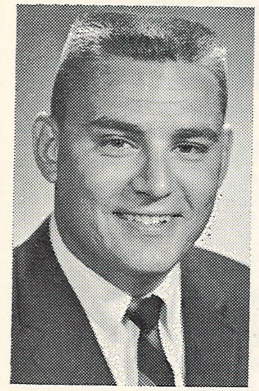

Read and his wife Myrna, are the proud parents of twin daughters, Tammy and Terri who will be a year old in October of this year.

★ ★ ★

Anthony Yelovich

Ends and Linebackers Coach

The Conestoga, Pa., native, 27 years of age, is also a former Tama University football star who played 2 years under Huerta before "Chelo" moved on to Wichita as head coach.

"Tony", entered the U. S. Army following his high school career and while there he played for the Stuttgart Jay-Hawks in Germany. After two years of service he entered the U. of Tampa where he immediately nailed down the pivot post on the Varsity Squad. Tony was appointed co-captain as a sophomore and was captain his senior year. He also made Little All-American his junior and senior years.

Following his graduation from Tampa in 1964, he immediately joined the athletic staff at Seminole High School at St. Petersburg, Florida where he was the defensive football coach.

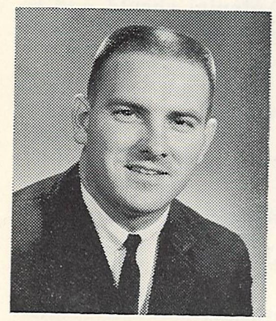

Tony will be starting his 3rd year on the Parsons football staff and in addition to his varsity work, Yelovich also handles the Freshman team along with Coach Banks.

Yelovich is single and resides in Fairfield.

Duane Banks

Head Baseball Coach
Assistant Football Coach

Coach Banks came to Parsons College in 1965 as assistant Freshman football coach and assistant varsity baseball coach. In the Spring of 1967 he was appointed varsity baseball coach.

Banks is a graduate of Colorado State College at Greeley, Colorado, where he was an assistant baseball coach following several years in the Milwaukee Braves baseball organization.

Banks, a native of Fruita, Colorado, where he played high school baseball and basketball, was catcher in college at Colorado State and won two baseball awards: Selected to All-Rocky Mountain Conference team as a catcher three straight years and all District 7 of the N. C. A. A. three years.

During the 1966 Campaign Coach Banks' Freshman football squad continued their winning ways with a 6-0 record and extended the freshman win streak to 12-0 for two seasons.

In the Spring, 1967, his Varsity baseballers compiled a 31-2 record and were ranked second Nationally in the Small College Poll.

Wildcats Prospects For '67

—o—

Despite a spring practice with continued interruption by the weather, Coach "Chelo" Huerta and his staff have expressed themselves with being pleased with the results obtained during the Oft' interrupted drills.

The intense work gotten in with a strong core of returnee along with freshmen from an undefeated team has convinced Coach Huerta that this years' team will again be one of strong contention.

Parsons lost several starters such as split end Steve Gilliatt, tackle Franklin Falks, linebacker Tom Young, center Frank Borg, and defense back Paul Read who will be difficult to replace. Most of the spring was spent studying personnel in order that the above losses might be adequately filled.

Summing up the 1967 varsity situation quickly. The backfield should be potentially a greater scoring threat because of more speed in the person of Jimmy McCoy, Alan Marcelin, and Frank Antonini; with Daynor Prince and Rich Pavlisko as threats with the pass. The line has a greater amount of experience with good size and quickness and should provide that good blocking necessary to score.

Defensively the "Wildcats" should be strong up front but will lack experience in the secondary.

Top Veterans

Veterans who make the '67 outlook promising include: Alan Marcelin, Daynor Prince, Ed Tuttle, and Rich Pavlisko who are offensive backs with Steve Kane, Rich Rachel and Charlie Moore on defense. In the forward wall such names as Mac Stewart, Glenn Motsinger, Jerry Campbell and Jim Lhota will make things go while the stone wall will be made up of men such as Barry Connors, Ralph Young and Gary Shannon.

Top Newcomers

Sophomore Jimmy McCoy and newcomer Frank Antonini should add to the scoring punch. Mark Schaeffer and John Patrick should contribute to an outstanding defense.

1966 RECORD—Won 4, Lost 6.

1967 PROSPECTS—Coach Williams states they will be bothered this year, as in past years, by a noticeable lack of depth, but they are stronger at every position. They have a fine supply of returning players and have been fortunate in being able to realize some fine players from either junior college or redshirt ranks.

They have made several shifts of personnel from their regular positions because we feel they will be of more value in places other than where they are accustomed to playing. The coaching staff evaluated each player on his strong points and his weak ones, and jiggled accordingly to lend the most overall strength to the team that was possible. Coach Williams feels they have been extremely successful.

ASSISTANTS—Tom Ramage (U. S. U. 1957), Bud Belnap (B. Y. U. 1961), Doug Hunt (U. S. U. 1960), Ralph Hunter (Ricks 1954), Lynn Corbridge (Weber State 1964).

1966 RECORD—Won 6, Lost 3.

1967 PROSPECTS—The loss of 23 seniors, thirteen of them starters, leaves much work to be done by Weber State Coach Sarkis Arslanian and his assistants. All-Conference tackle Jim Schmedding, and All-Conference fullback Lee White, are the best of the returning players with both being boomed as All-America candidates. Schmedding is the only starter returning off the offensive line. White (1934 yards rushing) was an honorable mention All-America last year and is rated one of the best fullbacks in the country.

Quantico Marines

Ninth Game **November 18**

At Butler (15,000) Stadium, Quantico, Va., 1:30 P. M., EST

MARINE CORP SCHOOL, Quantico, Va., 22134. Enrollment 6,300. Director of Athletics: Capt. R. H. Brown, Phone A. C. 703 Va 2-0731. Sports Information Director: Lt. Col. T. Snipes. Conference: All Marine, Independent. Quantico Marines. Scarlet and Gold.

HEAD FOOTBALL COACH—To be named.

ASSISTANTS—To be named.

1967 PROSPECTS—With the late appointment of a head coach, no spring drills and only six members of last year's 5-2-2 team returning, it is hard to predict what kind of team the Marines will have this fall.

These problems are not insurmountable, however, as the corps team has proved in previous seasons. Annually the coaching staff must build from scratch, and hope the collection of former college players will mold into a cohesive unit.

Two regulars will return, guard Cliff Yoshida and flankerback Al Richards. Yoshida is a former Little All-American from Calif. Poly and Richards played at Oregon.

With Parsons Down Memory Lane

By DEAN GABBERT
Managing Editor
Fairfield Daily Ledger

Seventy-four years of Parsons College Football make a colorful and exciting story.

Mott Sawyers was the man who started it all when he organized and coached the first Parsons' team in 1893. An 1890 graduate of Parsons, Sawyers learned the game while a student at Princeton. Now in his 90's, Dr. Sawyers is a retired minister in Minneapolis, Minn.

Halfback Clarence "Red" Leeds is credited with scoring Parsons' first touchdown in collegiate competition when he ran back the opening kick-off against Monmouth. The records do not show the score of this 1893 game.

Job E. Johnson, a member of the faculty from 1899 to 1918, is generally recognized as the father of Parsons football. It was his interest that kept the sport alive and his efforts that led to the construction of old Alumni Field. The area is now occupied by Fry-Thomas Fieldhouse. Johnson not only coached, but he inserted himself into the line-up when the going was tough.

Bruce Gobble, Fairfield merchant, has been closely associated with Parsons football longer than any other person. Gobble played for four seasons beginning in 1900 and was one of the school's first stars. He also coached the 1904 team and has been an interested spectator ever since. Gobble's early gridiron feats are legendary. During a 1903 game with Keokuk Medical College, he suited up at half-time and racked up seven touchdowns and four conversions in the second half to contribute 39 points toward an upset victory.

Last fall Sawyers and Gobble became the first members of Parsons' Football Hall of Fame. They were honored by the Fairfield Quarterback Club.

Parsons' first paid football coach was Joseph C. Picken, who joined the staff in 1909. The present head coach, "Chelo" Huerta, is the 21st man to direct the sport at Parsons.

Since 1911 Parsons has fielded 12 championship football teams. The school has been affiliated with four conferences, including 40 years as a member of the Iowa conference. In 1963, the college voluntarily withdrew from the Iowa loop to assume its present status as a major Mid-west independent.

Only two coaches have turned out undefeated, untied teams. O. B. Nelson was the first with an 8-0 record in 1955. Frosty Westering did it in 1962 with a 9-0 mark.

For 72 years, Parsons chief rival was Iowa Wesleyan college. The two foes met 60 times before the series ended in 1963. Parsons held a 34-21 edge with five games going into the books as scoreless ties. The series produced many thrills and many surprises, including a 1911 battle when Parsons scored twice on a hidden-ball play in the last two minutes to win, 17-11; and a 59-0 victory in 1957 over a Wesleyan team which was a pre-game favorite.

During the past two seasons, Parsons has established itself as a small college gridiron power. The Wildcats have an 18-3 mark under Coach Huerta, including an appearance in the post-season Pecan Bowl at Abilene, Texas.
